

Declaration of RoHS Conformity

The manufacturer:

Falcom Wireless Communications GmbH

declares that the product:

- Type: **JP13 / JP13-S / JP13-B and all sub-versions**
- Intended purpose: **GPS-Module**

complies with the European Union issued Directive 2002/95/EC on the Restriction of the use of certain Hazardous Substances in electrical and electronic equipment (RoHS).

This declaration is valid for all units, which were produced after 1st of January 2006.
